## Kidz Zone

Stay tuned for information about the Classic Kidz Zone being planned this year.

With people of all ages and families coming to the event, we're planning to have an area with lot's of fun for the kids while their parents and grandparents watch the cars, have a coffee and a feed or do a bit of retail therapy in the shops which open especially in support of the event.

## Let's Build a Bridge (again)

In 2019 the Triple M Albany Classic saw the first of two planned pedestrian bridges constructed. The ACMC worked tirelessly in consultation, planning and raising the sponsorship needed to achieve the City of Albany Bridge.

The ACMC would like to thank the City of Albany, VSCCWA, CAMS, Southern Port Authority, Eyerite Signs, Optus, Fletchers International, Combined Mini Clubs of WA, Koster Steel, Coastal Cranes, and Race Wars who have all contributed to help make this dream a reality.

We have now turned our sights to achieving the second bridge, to meet improvements identified by Motorsport Australia for the event. We invite you to help make this a reality as well.
